My fruit bowl

Draw a fruit you like. Tell someone its name.

What did you put in your bowl?

Print. Cut. Stack. Read together.

Eight mini-book pages + this guide · Suggested ages 3–5 with grown-up support

1 Print sheets 1–4 single-sided.

A4 landscape · 100% / actual size. The pages are already in reading order.

2 Grown-up cuts down each centre line.

Each sheet becomes two mini-book pages. Keep all eight numbered pages.

3 Stack mini pages 1–8, then secure.

A grown-up staples the left edge. Cover any sharp staple ends before play.

4 Name, colour, find and read.

Say each fruit name together. The grown-up reads the short sentence.

5 Finish with your child's favourite.

Draw a fruit in the bowl. Accept their drawing and talk about its name.

Find-the-same answers: apple 1 · banana 2 · mango 3 · orange 1 · grapes 2 · watermelon 3

Fruit colours can vary. Children may choose their own colours. No word tracing or independent reading is required.
